# Global Education Solutions – For Every Goal

When it comes to choosing the right schools or institutions, Academia Global not only offers consultancy and support, but also organises, manages, monitors and administrates the learning process along the whole way – as a one-stop shopping solution for customers looking for schools and institutions around the world, in over 80 countries and more than 280 cities.

The Academia group offers a broad portfolio of local and international education, child care and support services in their own schools all over Switzerland, as well as worldwide in close cooperation with certified, affiliated partner schools and institutions.

# Academia – Your Home of Learning

Academia is a leading Swiss-wide education provider. Every day, over 1,000 committed teachers and motivated staff work hard to make sure that our customers – i.e. our students – reach their personal educational goals and that the services provided by Academia are truly valuable.

As innovative specialists in education, the schools of Academia offer tailor-made education solutions based on individual customer requirements. These are conveyed by qualified teaching staff in a well-founded, convincing and target-oriented manner. The needs of our customers are not only directly reflected by the learning opportunities provided, but also by the educational consultation and administrative support that we offer.

# Our Wide Range of Learning Options

Academia Global offers a wide range of educational options for just about every learning environment, age group and target: language schools, international schools and various university entrance qualification programmes for youths and adults, learning centres offering tuition, private primary and secondary schools or child daycare centres. You can also choose when and where you want to learn: classroom teaching, in-house training or online learning options are standard at Academia.

# Global Coverage – Solutions Where You Need Them

As a global education service provider, Academia Global has identified leading educational institutions around the world. More than 300 institutions successfully completed a thorough audit and were found to meet the required quality standards for their affiliation as “Academia Certified Partner Schools/Institutions”.

# Accreditation – For New Schools and Institutions

Want to become an Academia Certified Partner School or Institution? Selection is based on fulfilment of a list of requirements by every applicant wishing to become an “Academia Global” affiliated partner school or institution. The process always includes an on-site inspection.

The school or institution must

- ✓ be **independent** and preferably run by the **owner** – chains and franchising members are not accepted
- ✓ have **own facilities**
- ✓ only hire trained and qualified staff with the required **degrees**
- ✓ have a **local** management and an academic director
- ✓ have a proven track record in delivering **services to corporate clients**
- ✓ have other **quality labels**, such as EduQua or similar
- ✓ be **accredited** by national education authorities
- ✓ meet the Academia **“Standards of Quality”**

# Committed to Excellence – Every Step of the Way

Academia Global offers a one-stop shopping solution. With a single point of contact the processes are managed centrally, thereby ensuring a transparent, efficient and reliable workflow. This makes life much easier for the expat and all family members involved.

# 24–48–72

## The Fast Road to Your Solution

We are committed to keeping processes fast and efficient and to minimising waiting times before the start of a training course or an appointment at a particular institution.

We study the case and come up with a suggestion within **24 hours** after receiving an initiation.

The schools involved are briefed and start taking the necessary action to commence the training or send an invitation for a first appointment to discuss the specific needs within **48 hours** after the client agrees to the suggested solution.

We expect schools to get ready to start delivering within **72 hours** after being briefed on a new case.

# Our Reports – Providing Full Transparency

Academia Global provides all the parties involved with fully transparent information about the progress and outcomes along the way. Customers have a choice between various report types, ways of accessing them and the content of these reports.

# Blended Learning – Mixture Makes a Difference

Different learning types respond to different learning processes. All our schools offer a mixture of different learning methods. They are able to combine classroom settings with a variety of online learning environments in line with a blended learning approach.

# New Destinations on Request

Although Academia Global already covers most major destinations around the globe, the list of destinations required by a customer may include a new city. This is quite a normal scenario and launches a standard procedure to identify, select, audit and certify new providers and add a new destination to our list in this way.

# Your Benefits in a Nutshell

- Global coverage (more than 280 cities in over 80 countries)
- Single point of contact, information and administration → centralised workflow management
